## FUNDRAISING

### Policy Statement

The Pembroke School Committee (PSC) recognizes that fundraising activities are used by school-sponsored organizations and external support organizations (ESO) to support school-related endeavors. The PSC approves of fundraising by these groups as long as the proceeds of these activities contribute to the educational experience of students and that the conduct of these activities does not conflict with or disrupt the operation of the instructional program.

### Purpose

The purpose of this policy is to provide a framework for fundraising activities at each school that safeguards instructional time, supports a common educational experience for all students, and includes appropriate accountability provisions.

- A. All fundraising activities involving PPSD students must be conducted by a sanctioned Pembroke Public School Department (PPSD) activity or a recognized PPSD external support organization (ESO).
- B. All non-athletic fundraising requests will be submitted to the Building Administrator (BA). All athletic fundraising requests will be submitted to the Athletic Director (AD) who will make recommendations to the BA for approval. All requests must be submitted on an appropriate pre-approved request form (JJE-E).
- C. The PPSD discourages door-to-door solicitation.
- D. There must be educational or financial benefits to the PPSD and/or ESO to justify the fundraising activity.
